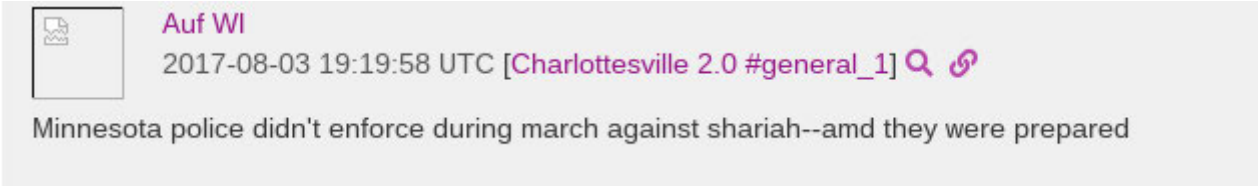
Discord user Auf WI, who appears on Identity Evropa's "Nice Respectable People Server," that was leaked in March by Unicorn Riot, has been identified as none other than Cody Alexander Delis of Spencer, Wisconsin.

Cody Alexander Delis of Spencer, Wisconsin, local McDonalds manager.

Using the Discord name Auf WI, Cody Alexander Delis tells us that he attended March Against Shariah in Minneapolis in the Charlottesville 2.0 server, which was also leaked by Unicorn Riot.

Photo pulled from a video of the Islamophobic March Against Sharia event. In the middle is Cody Delis, standing next to Joe Dunsmore from Minnesota on the right.



He tells us that he attended Unite the Right in Charlottesville, where antifascist Heather Heyer was killed by James Alex Fields Jr. Funny enough, @WisIdentity on Twitter also talked about attending Unite the Right, including a long drive.

Auf WI left Identity Evropa propaganda at Veterans Park, in Marshfield, Wisconsin.

The connection between the deadly Unite the Right rally in Charlottesville in 2017 and Identity Evropa (now rebranded as American Identity Movement) cannot be overstated. According to the ADL, the white supremacist group was involved in the planning of the white supremacist rally and continues to organize and spread white nationalist ideology. Last week, members of AmIM (previously known as Identity Evropa), mobbed a bookstore during an author's presentation of his anti-racist book. Peruse our thread identifying their members. It is not hyperbolic to say that these white supremacists are looking to continue to gain footholds into mainstream discourse by any means necessary.

Back to Cody Alexander Delis, in the leaked discord chats:

He tells us his height:

He tells he is not a boomer (baby boomer):

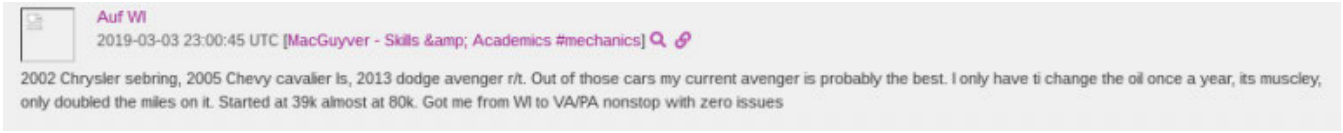
Then, in a discussion about per capita in cities, he reveals big details.

He also lets us know that the place he lives in is 99.17% white.

According to Wikipedia, the per capita income for the village of Spencer, Wisconsin is $17,665. Spencer, Wisconsin also is 99.17% white.

He tells us he was banned from Twitter right around the time that @WisIdentity was banned on Twitter, confirming the link between Auf WI and @WisIdentity on twitter.

He has several cars. Note the car make, models and years.



He posts a photo of the front of his house, making sure to mask his license plate.

With a little sleuthing on Google Maps around Spencer, Wisconsin, Toynbee was able to find

this house that looks very similar to that Auf WI posted. Notice the same red car, the same trim on the house, and the same garage door as well as brick wall.

In front of the same house, you can see a 2002 Sebring, just like the one Auf WI described.

Cody Alexander Delis reveals that he works as a manager at a McDonald's:

The nearest McDonald's to Spencer, Wisconsin is in Marshfield, Wisconsin- exactly where Auf WI put up propaganda at the Veteran's Park.

There is one suspect that lives at the residence we linked to- and that is Cody Alexander Delis of Spencer, Wisconsin.

To add even more credibility to this information, there is a dump of Facebook names posted July 7th, 2017 on Github that listed all of the people who were “interested in” attending the Unite the Right Rally in Charlottesville. We see Cody Delis appear in this list.

Reach out to McDonalds on Facebook and Twitter to let them know that their manager Cody Alexander Delis in Spencer WI is an avowed dues-paying member of a white nationalist hate

group, as designated by the SPLC. There is no place for fascists anywhere, especially making fries.

Thanks to anonymous tips, we were able to identify Cody Delis in photos from Lauren Southern's 2017 trip to the University of Michigan.
